2025 Irrigation Season

We anticipate the irrigation water will turn on beginning the **week of April 7th (west of I-15)** and the **week of April 14th (east of I-15)**. Each area takes most of the week to fill.

Property owners west of I-15 should turn their own secondary valve off before April 5th to avoid potential flooding problems.

Property owners east of I-15 should turn their secondary control or main control valve off (1/4 turn clockwise to close) before April 12th to avoid potential flooding problems.

Secondary Water Meters

We are just finishing up our 3rd phase of meter installations and will be continuing to install meters year round in hopes to have all the meters installed by the end of 2026. You will receive a notification letter and a door hanger prior to the meter installation at your property.

For Bountiful residents who had a meter installed this off season, we left the customer Main Control Valve (MCV) in the off position. **When you are ready for water this year we are asking the homeowner to turn that valve on.** Turning the valve on will provide each resident an opportunity to learn how their valve works and where their valve is located. Please scan the following QR Code or go to bountifulirrigation.gov to see an information flyer with instructions and tips on your new valve.

Installing meters will sometimes be inconvenient, and we ask for your understanding and patience throughout the process.

For any meter-related questions and information, please do one or more of the following:

- Visit www.utahwatermetering.com
- Email info@utahwatermetering.com
- Call 801-810-5886

Communication Tools

You can connect with Bountiful Irrigation through text, email, or web chat!

If you have not done so previously, please update your contact information by doing one of the following:

Scan the QR Code:

Visit: www.bountifulirrigation.gov and click on the blue circle in the bottom right hand corner

Text: (801) 790-4685

Call: (801) 295-5573

Email: support@bountifulirrigation.yopp.fyi

(When submitting via text or email, please provide your name and address so we can correctly attach the information.)

Responsible Water Use

“No Watering Between 10 A.M. and 6 P.M.” and we recommend observing the following water schedules:

- May - June 15th – No more than two days per week.
- June 16th - Aug. 31st – No more than three days per week.
- Sept. 1st - Seasons End - No more than two days per week.

Emergencies

If you see water surfacing in the street at any time, please notify Bountiful Irrigation District.

Monday-Friday 8:00 AM to 5:00 PM at 801-295-5573.

Weekends, Holidays, and after-hours:

Police Dispatch at 801-298-6000.
